MEETING OF THE CENTRAL COUNCIL – BARCELONA

The Central Council of the I.A.J. met in Barcelona under the Presidency of Ms Cristina Crespo on the 6th, 7th and 8th October. Of importance was the decision to approve a new budget, for the year 2015-2016. This scheme will take into consideration the following aspects:

- The economic crisis,
 - Attempts to secure judicial independence, realized through manoeuvres on salaries and the necessity to enhance IAJ activities. This will inevitably generate higher expenses, caused by the appointment of rapporteurs, IAJ's missions *in loco*, and incurred exceptional and unforeseen expenses.
 - The trend of IAJ members to move to lower contribution groups.
 - Regional Groups requesting the allocation of increased budgets.
 - The impossibility to increase annual contribution amounts.
- The existence of current bank reserves in the amount of more than 277,000.00 euro. A variation of the budget for 2015-2016 was arranged drawing money from the reserves for a total amount of 35,000 €, which will be allocated as follows:
 - an increase of 5,000 € in the budget of each Regional Group;
 - an increase of 5,000 € for each of the other three areas namely; (Presidency Committee; President; General Secretariat).

The above-mentioned increase is exceptional in character and will only be applied for the (October) 2015- (Autumn) 2016 budgetary year.

An important decision concerned the admission of Iraq as the 84th I.A.J. Member Association. The President, the Secretary-General and the whole Assembly congratulated the Representatives of the Iraq Association for this achievement, welcoming them into the international judicial family of the I.A.J. In respect to the arrear annual membership fees owed by the associations of Guatemala and Benin, the Central Council decided not to apply any statutory provisions for the next year. Such Associations will however lose their membership next year should they fail to settle their arrears in full before the next meeting of the Central Council in 2016.

The discussion on the "monitoring procedure" which commenced last year, continued. The President pointed out that the final deadline set by the Presidency Committee for Associations who have not complied is the 31st December 2015. Replies to questionnaires may be sent to <http://www.iaj-uim.org/periodic-monitoring/>.

The Assembly unanimously approved the new procedure for the submission of resolutions to the Central Council. This may be accessed on the web. See <http://www.iaj-uim.org/central-council/> (click on the link "Procedures for the submission of draft resolutions to the Central Council").

The President and the Secretary-General explained that the necessity of this proposal emanating from the Presidency Committee and the Secretary-General, is intended to avoid the "surprise effect" occasioned by the presentation of draft resolutions, declarations and motions without prior notice. These proposals will curtail long discussions and widespread discontent among delegations.

During the meeting of the Central Council in Barcelona, the delegation from Mexico confirmed its availability for the organisation of the I.A.J.'s meeting next year. It will be held in Mexico City, under the auspices of the Mexican Judges Association (*Comisión Nacional de Tribunales Superiores de Justicia de los Estados Unidos Mexicanos*). The date is from the 23rd – 28th October 2016.

The Central Council discussed the proposal of the Presidency Committee on priorities for the work of the Presidency Committee and the I.A.J. for the next three years. As far as the updating of the IAJ's "Universal Charter of the Judge" (see: <http://www.iaj-uim.org/universal-charter-of-the-judges/>), the Council was informed that a special commission will be set up, presided over by the First Vice-President Régnard and composed of the following members, namely: IAJ Secretary-General Mr Giacomo Oberto (Italy), Ms Janja Roblek (Slovenia), Ms Julie Dutil (Canada), Ms Allyson Duncan (USA), Mr Walter Barone (Brazil), Mr Mario Morales (Puerto Rico), Ms Marie Odile Thiakane (Senegal), and Mr Cherif Kone (Mali). Contacts will be held as well with the Council of Honorary Presidents, presided over by Honorary President Mr Guenter Woratsch.

Another priority for the work of the I.A.J for 2016 will be the fight against corruption in the Judiciary. Pertaining to this topic, the IAJ President Ms Cristina Crespo informed all IAJ Associations that the International Bar Association is working on an important survey conducted with the assistance of the Basel Institute on Governance. All Member Associations are invited to participate in an online survey, which should be completed by the 23rd October 2015. The questionnaire is available at the following link:

<https://survey.baselgovernance.org/index.php/236414>. For further information, colleagues may contact Ms Rocío Paniagua email address LPT@int-bar.org or claudia.baez-camargo@baselgovernance.org.

Three important resolutions were approved in Barcelona pertaining to the judicial independence in Turkey, Ukraine and Uruguay. (See more in this regard at <http://www.iaj-uim.org/central-council/> (click on the link "Declarations/resolutions").
